RECOGNIZED LEADER IN DIVERSITY

PepsiCo has a rich legacy of leadership in diversity. We were the first major company to appoint a black Vice President and place a woman on its Board. We are continually recognized for our best practices in weaving diversity & engagement into everything we do.

EMPLOYEE RESOURCE GROUPS

PepsiCo employee networks provide a powerful support system for nurturing our people.

TOTAL REWARDS FOR A TOTAL LIFE

At PepsiCo, we provide more than a salary. Total Rewards is everything you receive as an employee – your pay, health care benefits, wellness programs, retirement plans and work/life benefits. We invest in the continuous development of our associates and in the communities where we live and work.

WHAT MAKES YOU UNIQUE, MAKES US BETTER

There's no one else quite like you. Your skills and talents, your personal experiences, and your point of view. At PepsiCo, we know the things that make you different are your real power. We embrace our unique differences to ignite team spirit and fuel Passion, Trust, Respect, and Equality. Help us face new challenges and create what's next.

You'll learn twice as much in half the time. With our entrepreneurial mindset, reach and resources, you can be daring on global scale. Are you in?

REINVENTION AT THE SPEED OF CULTURE

At the heart of PepsiCo is Performance with Purpose. This is our promise to deliver results in the right way, in a sustained way. It means we live up to our values and do so in a way that continues to fuel our performance. It means we deliver for our consumers and customers, protect our environment, source with integrity, and invest in our employees. We set the bar high for ourselves, and then encourage and support each other to meet those same goals.
