

Five reasons to *work* at JLL

1 / **Our people are our best asset**

At JLL we embrace the human side of business, which makes us better at delivering the business side of business. We believe our diverse backgrounds, experiences and perspectives help us to think bigger, generate ideas and spark innovation.

2 **Who we are**

JLL is a global Fortune 500 commercial real estate firm that delivers products and services to help owners, occupiers, and investors achieve their ambitions.

We're driven by our core values of teamwork, ethics and excellence which shape our culture and define who we are. These values underscore our commitment to our clients, to our communities and to each other, and provide direction for everything we do.

3 **We are passionate experts**

We create rewarding opportunities and amazing spaces all over the world. From tech startups to global firms, our clients span industries including banking, energy, healthcare, law, life sciences, manufacturing and technology.
